PORT AUTHORITY LOGISTICS REPORT

CONFIDENTIAL & PRIVILEGED — INTERNAL AUDIT ONLY

Case Reference: CR-2026-11-04-MUM

Subject: Irregular customs bypass in Terminal 3 Berth 4

During routine reconciliation between AIS transponder tracking and automated berth gate logs, three container vessels discharged unmanifested freight between 02:00 and 04:30 UTC.

No entry declarations or standard phytosanitary inspections were recorded on the central ledger. Bypassed fees are estimated at USD $1,420,000.

Evidence attached: Automated weighbridge logs, scanned bill of lading #BL-994821. This document serves as formal notice to the internal integrity board.
